Rediscover the Gospel

THE POWER OF A GOSPEL-CENTERED MINISTRY

Speakers

Collin Hansen

Tim Savage

Marco de Wilde

Jacob Folkerts

The renewing impact of the gospel. Isn't that what we're all longing for? But how does this come about? How is our ministry again filled with the power of the gospel? This requires a rediscovery of the gospel.

The first conference of TGC The Netherlands and Flanders deals with important and actual questions, like: What exactly is meant by the gospel? How does the gospel relate to the cultural context in which it is proclaimed? What does it mean to be church after the corona crisis? And what are the actual opportunities for the gospel in Europe?

Two days of reflection on the essence of your faith and ministry, with meeting, singing and prayer.

*The conference will be held in Mission Centre 'De Wegwijzer', Makassarweg 80 in Almere, The Netherlands.

TGC The Netherlands and Flanders focuses on the renewing impact of the gospel of Jesus Christ, the Son of God, Lord of heaven and earth, in church and society.
